

Wellbeing in Education Health & Wellbeing Teacher Resources

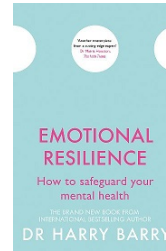

Circle Solutions for Student Wellbeing

Now in its 3rd edition, this book addresses critical and contemporary issues for students aged 5-18. The evidence-based approach to building a healthy classroom environment has proven to be a unique and invaluable intervention worldwide,

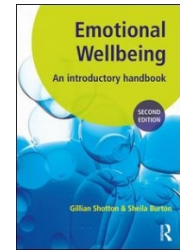

Emotional Literacy

This practical resource focuses on the topic of 'Emotional Literacy' and how to support children and young people on a journey of self-discovery where they learn to recognise, understand, share and manage a range of emotions.

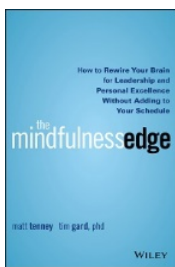

Emotional Resilience

In this book Dr Harry Barry reveals how you can unlock your inner emotional resilience reserves, deal with the challenges of life, and protect your mental health.

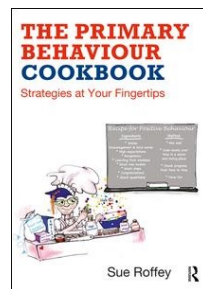

Emotional Wellbeing

An essential resource for educators working to support emotional wellbeing in children and young people. The second edition has been fully updated and includes a new chapter on resilience as well as additional material on recognising and dealing with anxiety and anger.

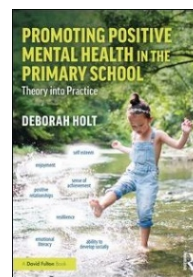

Mindfulness Edge

Discover how a subtle inner shift, called mindfulness, can transform things that you already do every day into opportunities to become a better leader.

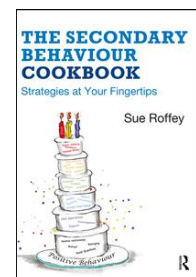

Primary Behaviour Cookbook: Strategies at Your Fingertips

Developed in conjunction with practitioners and teachers, it provides highly effective, practical strategies for responding to and resolving behavioural issues in primary classrooms.

Promoting Positive Mental Health in the Primary School

Unpacks scientific and psychological research and evidence to explain positive mental health through the lens of a primary classroom in the language of teaching professionals

Secondary Behaviour Cookbook: Strategies at Your Fingertips

Developed in conjunction with teachers it provides highly effective, practical strategies for responding to and resolving behavioural issues in secondary schools.
