

Wellbeing in Education

Motivation, Confidence and Growth

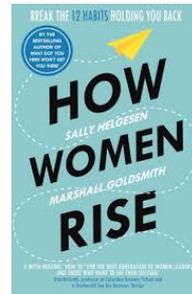

Be Fearless

This book is a call to action for those seeking to live extraordinary lives and bring about transformational change.

Confident Minds Curriculum

A simple and practical approach to culture change in schools, health care settings and organisations working with young people.

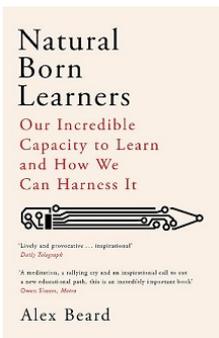

How Women Rise

Inspiring and practical by turns, it identifies 12 common habits that can prove an obstacle to future success and tells you how to overcome them.

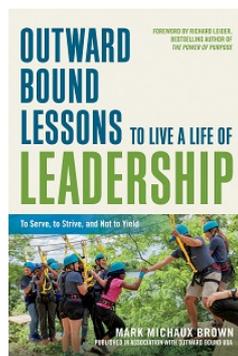

Make it Happen: Manifest the Life of Your Dreams

In this warm and witty book, Jordanna shares her personal experiences and struggles along with her foolproof equation for manifesting whatever you desire, from your dream job to a lasting relationship.

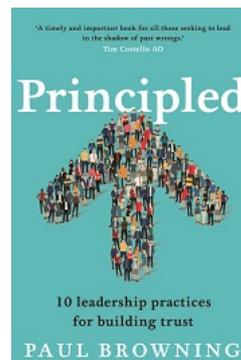

Natural Born Learners

A user's guide to transforming learning in the twenty-first century and roadmap to accessing our better future selves.

Outward Bound Lessons to Live a Life of Leadership

Teaches that leaders lead best when they have taught self-reliance and mutual responsibility and can fade into the background.

Principled

Draws on the author's first-hand experience of navigating an organisation through a highly public ethical crisis and outlines the challenges he faced as a leader.

Stop Surviving Start Fighting

Find out what Jazz learned about how her negative thought patterns came to be, and how she turned those thoughts, and her life, around.
